Hi Greg,

My 9-10 mtg ran late and I just got this. I figured it would be better to catch up offline rather than join the call this late. Plus, it would be helpful for me to have a little background on their currently-approved AECDs and NTE deficiencies so I can make sense of the first presentation.

I'm open after 2 today, so I'll try giving you a call this afternoon,

Thanks,  
Jay

Greg, are you available on Tuesday, Oct 18th for a 1.5 hour discussion on a couple of 2013 topics? Let me know the times you are available and if not that day, what other day you suggest.
